

SCHOOL INFORMATION PROGRAM

MONTHLY UPDATE

NEWSFLASH! NEWSFLASH! NEWSFLASH!

FEBRUARY 2009

Our very exciting news for 2009 is the announcement that His Excellency Dr Ken Michael AC, Governor of Western Australia, has agreed to be the Patron of the Schools Information Program for the rest of his time as Governor of Western Australia. We are very grateful to His Excellency for this honor and, look forward to his attendance at the Grand Final Awards Ceremony held at Government House. All of the details are yet to be confirmed but currently a date has been set for this event on Friday November 13th, 2009.

It won't be long now before we see all of our students back at school. I'm sure they are all very excited about getting back after such a long break! We all welcome them and look forward to their participation in the program during terms two and three.

Currently we have many schools who have indicated that they will be continuing for this year, and are welcoming several new schools that will be joining the program for the first time.

In February we will meet with as many of the teachers as possible at a dinner where they have the opportunity to catch up with colleagues and to discuss the Schools Information Program with Board representatives.

Without our sponsors, this program would not run as successfully as it has since its inception in 1991. We thank them and look forward to their continued support.
